Dear Student Friends,
Warm Greetings

Dear Aspirants / Friends, Warm Greetings, Many congratulations for having completed your graduation in the field related to Dairy Technology. You would now be looking for options to enter post graduate education. Dairy Technology remains a promising and exciting career option in today's world. The need of skilled manpower to manage milk processing, preservation, value addition, etc during the Milk Production to Consumption Cycle is constantly on the rise.

Two Dairy Technology Colleges in the state, one at Warud (Pusad) and another at Udgir (Latur) are functioning under the auspices of Maharashtra Animal and Fishery Sciences University (MAFSU) and creating skilled dairy technocrats through four years degree program of B. Tech. (Dairy Technology). The technocrats created by these Colleges are serving dairy industry throughout India and abroad. Till recently, after graduation in B. Tech. (Dairy Technology) from these colleges, the avenues for higher education was available at national institutes and colleges of other SAUs only.

However, I am immensely pleased to inform you that from this Academic year, the post graduate education in four disciplines of Dairy Technology Faculty viz. Dairy Technology, Dairy Engineering, Dairy Chemistry and Dairy Microbiology is being offered at College of Dairy Technology, Warud (Pusad) the constituent College of MAFSU. Aspirants who would prefer their further education in the state of Maharashtra can now apply to this well-equipped and adequately staffed college for achieving their goal.

Considering the importance of this sector, I strongly recommend the students to consider this option of post-graduation in Dairy Technology and contribute in enhancing the livelihood security of milk producers on one hand and food/nutritional security of milk consumers on the other hand. I wish the young students a bright future ahead.
